

Important News for Dental Providers

MedCost Benefit Services has recently contracted with EDI Health Group (EHG) for electronic claims submissions. EHG is the leading provider of electronic connection solutions for the dental industry. MedCost Benefit Services also accepts claims through Emdeon. The partnership with EHG provides dental offices with another avenue for submitting claims via EDI for MedCost Benefit Services plan participants.

If your office is setup to submit claims electronically through EHG, please validate that claims are being submitted to MedCost Benefit Services under **payer id 56205**.

If your office is not setup to submit dental claims electronically, or if you would like additional information about EDI Health Group, please contact 1-800-576-6412 ext 455 or visit their website at www.dentalxchange.com.

Why submit claims electronically?

- Eliminate mail time
- Reduce postage and supplies costs
- Identify claim errors quickly
- Ability to access tracking reports
- Enhanced quality, as the administrator receives the claim that you filed

We encourage you to take advantage of the many benefits filing claims electronically provides.
